

The George Michael Legacy Project, Inc., successfully ended 2018 with much to celebrate.
 We re-incorporated in the State of New Jersey as well have received our 501(c)3 exempt status.
 As a nonprofit, we continued to make significant progress and realized several wonderful successes for 2018:

- We were honored to unveil the George Michael Memorial Plaque and Garden at Swan Lifeline. and visited the Sanctuary to meet with the staff and to see the memorial built there in George's honor. We got to see how some of the donations were assisting in the care of the rescues. Later in the year we were able to fund a kayak for those areas in which rescues were complicated.
- We were able to host a wonderful luncheon for the children and their families of Rainbow Trust Children's Charity "Sharing Rainbow Hope" where children were entertained by a Balloon Artist, colored teeshirts and had fun meeting old and new friends.
- There was great support for the raffle baskets built around specific themes and that supported different core charities.
- GMLP members participated in several walks benefiting AFSP and also saw overwhelming success with a support vendor table at Santa Monica Pier; there was great interest in learning how George's legacy was continuing in the states.

Now TeamGMLP is Looking forward to continuing the Journey. This June find us celebrating an Open Day event at Swan Lifeline in London and other surprises.

Year ending 2018 with a combined Donation total of \$7,625.13. Thank you for all your support that's a big difference from 2017 \$3,510.00!
 It's not bad for being a legal small nonprofit entity, and we are so thrilled to have spread these donations with many charities, several which George personally supported and other causes dear to his heart. GMLP, Inc.
