Who we are why do we Collect Personal Data?

The George Michael Legacy Project, Inc. collects personal and financial information to support our mission as a Nonprofit Charitable Corporation. Our goal is to create a global awareness of what charitable means, i.e., not limited to financial donations. Through social media campaigns, uniquely designed projects and events, we will expand the demographics for giving, volunteering and building a committed global connectedness. We believe in integrity, compassion, and giving of self.

We want to continue and expand upon the charitable work George was so passionate about for those causes and charities that may not always be featured among the large news stories and donors. We will begin with selected causes including child well-being, mental illness efforts to eliminate stigma and animal wellness.
